Nestled in thick historic West Coast forest and a stone's throw from wild black sand beaches, this is one of the world's most unusual glaciers. Beautiful blue skies or magical misty rain, whatever the weather - you will feel like you are in Narnia or LOTR. With easy walking at your pace, information on glaciology, geology, geomorphology, flora and fauna, local legends, history, and small guided groups with fantastic guides, you will experience this glacier in style and in the best hands with the only local company. Wander past glacier rivers and streams and through beautiful podocarp forest; discover hidden natural treasures such as native snails, wild native mushrooms, and dozens of species of native orchids; listen to native bird song and waterfalls; see if you can spot a Chamois or a Tahr on the huge snow-capped mountains above while drinking a cup of tea and talking one-on-one with your guide.
